## Consumer Benefits

### Impactful bass for expansive soundscapes

Enhances the largest home-theater and music systems—from stereo to full Atmos—with deep, immersive bass you'll feel in your bones.

### Seamless sound

Sophisticated settings like Time-Smart Phase Control make system blending effortless, for smooth, even sound.

### Fits anywhere

With a narrow cabinet and front-firing orientation, the ES12 subwoofer sounds great anywhere—even against walls and on shelves.

### Classic Signature Elite style

With its sleek, low-profile aesthetic, the ES12 subwoofer looks great with any system or décor.

## Features

- 12" front-firing high-excursion mineral-filled woofer
